

UGOCHINYERE ANAZODO

Full-Stack Flex Web Developer

PROFILE

- I'm a full-Stack Developer from Atlanta Georgia. I enjoy taking complex problems and turning them into simple and beautiful interface designs. I also like the logic and structure of coding and always strive to write elegant and efficient code whether it be HTML,CSS or jQuery.
- I am also a successful & aggressive entrepreneur with 13yrs of experience in sales, marketing and real estate investment.
- I have extensive portfolio of overhauling business processes and systems while prioritizing the customer and business objectives.
- Our activities are concentrated in the areas of Investment project & structured financing, corporate visioning, strategic planning, mergers & acquisitions, business processes and organization design.
- Other areas of my expertise include post-merger & acquisition, balanced scorecard, Risk management, financial and budget planning, quality assurance, value realization, Human resource management, Technology Implementation, business integration, expert negotiator and take over strategist.
- In addition, I have a passion for leading teams to surpass strategic goals while investing in their personal and professional growth.
